

HEALTHY COMMUNITY PLAN

Community/Team Name: City of Fifty Lakes and Manhattan Beach

Geographic Area: City of Fifty Lakes and Manhattan Beach

HCP Round/Years: Round 4, March 1, 1999 – February 28, 2001

Project Focus: Spin off of efforts as a result of the Planning Charrette/Planning to stay small

Vision/Purpose Statement:

Help the City in evaluating current public buildings and develop plans that are flexible and allow for future growth.

Priorities:

- Maintain a rural and wooded environment
- Develop a Village Center with scale relative to the population of the area
- Use historical and traditional characteristics to unify and organize the building theme
- Collect input from the public
- Hire a consultant to plan for use of buildings

Follow-up Grants and Loans:

None to date

Key Accomplishments:

- Held a planning charrette prior to joining HCP, but from which many recommendations were heard
- Invited the Initiative Foundation to present to the City Council in August 2000 to heal some wounds
