

HEALTHY COMMUNITY PLAN

Community/Team Name: City of Foley

Geographic Area: City of Foley/Gilmanton Township

HCP Round/Years: Round 3, September 1998 – September 2000

Project Focus:

Community revitalization

Efforts include:

- Linking diverse people and groups together and utilizing their talents and contributions
- Foster pride in our community appearance
- Plan to rejuvenate the unique historic and architectural nature of our business district and larger community

Vision/Purpose Statement:

To proactively promote and enhance an active, full-service and aesthetically pleasing downtown that reflects community history and pride, responsible governance which empowers our citizens, celebrates our openness to diversity, is user-friendly and accessible to all citizens and visitors.

Priorities:

- To create and install entrance/exit signage into the city
- Update/revise Foley's 1993 Comprehensive plan
- Acquire a City Planner
- Revitalize and restore downtown
- Connect with youth in productive and positive ways
- Create a paved bike path on abandoned railway from Foley to St. Cloud

Follow Up Grants and Loans:

None

Foley has been withdrawn from the program due to lack in participation and support from the City.
