

## **HEALTHY COMMUNITY PLAN**

**Community/Team Name:** Manhattan Beach Healthy Community

**Geographic Area:** City of Manhattan Beach

**HCP Round/Years:** Round 4, March 1999 – March 2001

**Project Focus:** Community Development Plan

### **Vision/Purpose Statement:**

Manhattan Beach will be a community where:

- A high value is placed on natural resources. Where lakes, trees, and green space is preserved.
- Public recreation opportunities exist, including a coordinated trail system to key areas.
- There is a strong sense of community and citizens are actively involved in supporting each other and the community.
- Growth is planned and managed to utilize technology to provide viable employment opportunities without a negative impact on our ecology
- There is infrastructure that meets the public service needs of the community in roads, sewer, water, housing, technology, health care, public safety, etc.

### **Priorities:**

- Land use planning
- Recreational opportunities
- Collaboration with neighboring communities
- Economic development
- Technology/Communications
- City Services/Infrastructure

### **Follow Up Grants and Loans:**

- None to Date

### **Key Accomplishments:**

- 38 residents (population 64) showed up for visioning (2/5/00)
- Community-wide clean-up (April 2001)
- Beginning ordinance work (May 2002)

**Date Updated:** January 22, 2007
