

HEALTHY COMMUNITY PLAN

Community/Team Name: Melrose

Geographic Area: Melrose area

HCP Round/Years: Round 18, April 2006 – March 2008

Project Focus: Update Comprehensive Plan

Mission Statement: To actively grow the community while promoting and protecting the high quality of life.

Priorities:

- Update the comprehensive plan, zoning ordinances, and land subdivision
- Provide for an infrastructure that supports opportunities for economic development and quality of community life
- Improve emergency services by promoting a cooperative volunteer effort
- To unify all members of our community
- To enhance community spirit and cohesiveness through events and education made accessible to all individuals

Follow Up Grants and Loans:

- \$15,000 HCP Grant (2006)
- \$1,500 Grant for Tri-Cap Bus service
- \$3,500 Grant for Phase 3 Facility and Activity Planning

Key Accomplishments:

- Adopted Five-Year Strategic Plan (August 2007)
- Tri-CAP bus service has been established in the city with plans to expand to surrounding communities (2007)
- Basic Plans completed for Phase 3 Community Center
- Implemented the Tri-Cap Transportation Program
- Adopted a strategic plan which incorporates project and prioritizes them.
